

## Family Hotel Vespera first croatian member of Kinderhotels Europe

Family hotel Vespera\*\*\*\* is one of the six hotels owned by the company Lošinj Hotels & Villas from Mali Lošinj. Last year complete renovation lead to hotel Vespera positioning in the market as specialist for family vacation. Besides, already in January it became a member of a prestigious Austrian group Kinderhotels Europe (additionally strengthening its position and recognizability in the market).

With the new, recognizable brand hotel Vespera and its employees will have the benefit of cooperation with the most experienced experts for family vacations in Europe, joint education in the „Family Hotels Academy“ as well as the joint marketing activities.

All the members of Kinderhotels Europe group have to meet high criteria, so all the facilities in hotel Vespera will be additionally adapted to children and family vacation, the following being only some of them:

- Children's beds, footstool in the bathroom
- Child-proof equipment and sockets
- Baby alarm - computerized baby monitors or cordless telephone
- Baby package (baby bath, thermometer, nappy bucket, bottle warmer, potty, changing mat)
- Room equipment for babies and children (children's bed or cradle, changing mat)
- Laundry drying facilities in the bathroom and/or on the balcony
- Coat hooks and towel holders at child height
- Daytime and evening baby-sitting service available at any time
- Laundry service
- Playroom
- Buggies, prams, backpacks and baby carriers/slings for hire
- Organized programmes for the whole family, either in or outside the hotel (children's fashion show, excursion and picnic for everyone, etc)
