IMPORTANT INFORMATION

PINO CLUB REGULATIONS

Please, be so kind to read our PINO CLUB regulations, and inform your child about them. The regulations are related to children admission, use of medications, infective illnesses, Club hours and behaviour.

- The Pino Club Staff is not allowed to administer any medication and/or needles to any child participating in the Youth Activity Program. Additionally, no medications with the exception of EpiPens, diabetes testing equipment & inhalers are permitted in the playroom. If a child requires regular medication while attending the Pino Club, the parents must return to administer that medication. If a child becomes unruly or ill as a result of the parents' lack of medication administration, the child will not be allowed back into the program.
- If a child contracts an infectious disease during your vacation, the Pino Club Staff will require a note from a local doctor before the child is readmitted to activities.
- Pino Club is open every day, free of charge (for children over 2 and till 7 pm). In order for a child to enjoy maximally the activities of the Pino Club, and to avoid fatigue, the Pino Club personnel suggests that children rest for two hours between the 4-hour intervals of the Pino Club activities.
- Unruly behaviour will not be permitted at the Pino Club. The Pino Club Staff reserves the right to exclude from any further Pino Club activities any child demonstrating behaviour, including but not limited to biting, fighting, hitting, throwing, kicking and foul language. Please note that these policies have been developed as a result of prior experiences in our hotels.

We hope that this will provide an answer to your questions regarding the work of the Pino Club. The Pino Club looks forward to sharing your vacation with you. We hope that this vacation will be a very enjoyable and memorable experience for your entire family.

VAŽNE INFORMACIJE

PRAVILA PINO KLUBA

Ljubazno Vas molimo da pročitate pravila Pino Kluba i upoznate Vaše dijete s njima. Pravila se odnose na prijavu djeteta u Klub, korištenje lijekova, zarazne bolesti, sate boravka i ponašanje.

- Osoblje Pino Kluba ne smije davati lijekove i injekcije djeci koja sudjeluju u Pino Klub aktivnostima. Povrh toga, unošenje lijekova u igraonicu nije dozvoljeno uz iznimku inhalatora, inzulin olovki i pribora za mjerenje šećera. U slučaju da se roditelj ne vrati kako bi djetetu dao lijek te zbog toga dijete promijeni ponašanje ili mu se naruši zdravstveno stanje, djetetu neće biti dozvoljen povratak u Pino Klub.
- U slučaju da dijete dobije zaraznu bolest tijekom putovanja ili počne pokazivati simptome zarazne bolesti, osoblje Pino Kluba zahtijevat će potvrdu lokalnog liječnika da je dijete zdravo prije nego što bude primljeno u Pino Klub.
- Pino Klub radi svakoga dana, bez naknade (za djecu stariju od 2 godine i do 19:00 sati). Kako bi djeci osigurali što veći užitek u Pino Klubu, a kako bi izbjegli pretjerani umor, osoblje kluba preporuča odmor od 2 sata između 4-satnih intervala Pino Klub aktivnosti.
- Samovoljno i neposlušno ponašanje nije dozvoljeno u Pino Klubu. Osoblje Pino Kluba zadržava pravo udaljiti i do daljnjeg isključiti iz Kluba svako dijete koje demonstrira ponašanje koje uključuje, ali nije ograničeno, na grizenje, udaranje, tučnjavu, bacanje i neprimjeren govor.

Ljubazno Vas molimo da primite na znanje kako su ova pravila uvedena kao rezultat prijašnjih iskustava u našem hotelu. Iskreno se nadamo da ćemo njima unaprijed odgovoriti na Vaša pitanja vezana uz rad Pino Kluba. Želimo Vam ugodan i zabavan odmor te se nadamo da će on ostati u lijepom sjećanju cijeloj Vašoj obitelji.
