

## Vitality Hotel Punta COVID-19 Safety Update

Welcome Back! We are looking forward to seeing you.

Taking care of our guests, our employees and our community is at the center of everything we do, and remains our top priority. To ensure we provide you with the safest and most pleasant stay experience, our team has been hard at work to raise the bar of hygiene and sanitation, as well as carefully considering every step of our service delivery to implement all necessary changes in accordance with government guidelines and medical experts' recommendations in order to best serve you during this time.

Here are some tangible ways we have ramped up our efforts to ensure guest and employee safety:

- Frequent deep cleaning and sanitizing of all common areas and high touch points.
- Limited number of people in each public facility in compliance with social distancing protocols.
- Temporary closing of saunas and other communal spaces as appropriate and specified.
- Hand sanitizers provided for guest use.
- Contactless payment where possible.
- Protective equipment including masks and gloves for employees as required.
- Daily health checks of all employees.

To keep everybody safe, we respectfully ask all guests to:

- Refrain from visiting any hotel facilities if you or a household member have a fever, COVID-19 symptoms or a communicable illness.
- Refrain from visiting any hotel facilities if you are under an isolation or quarantine order/directive.
- Respect the hotel facility's sanitation, hygiene standards and processes posted within the premises and shared by employees.
- Share special sanitation or hygiene requests prior to arriving at the hotel facility.
- Wear their own protective face coverings or masks if preferred.

Vitality Hotel Punta is committed to following closely local and national regulations regarding the safe operation of all our hotel. As we receive additional guidance, our policies and practices will be updated accordingly.

To help you plan a safe and enjoyable stay with us, we are pleased to provide the current updates below:
